POOL BALANCES as of April 30, 2010

As of April 30, 2010, the Foreclosure Prevention Assistance Program (FPAP) lender allocation pools had the following balances available.

FPAP Pool Balances as of 3/31/2010

Pool	Available Funds
Statewide FPAP	\$164,100
Marquette 09	\$17,433

As a reminder, administrators providing services in the 11-county metro area should use the Marquette pool for all loans. The use of Marquette funds is prioritized as noted below, however **use is not limited** to these groups alone.

- Families with children living in the metro area
- Borrowers who made a down payment at the time of purchase, and;
- Borrowers who can demonstrate stable/long term employment history

As the Marquette funds are close to being exhausted metro area administrators have been given access to the statewide pool as of May 18, 2010. Please continue to use the Marquette pool until the funds have been exhausted.

Pool balances will be updated on a monthly basis. For more specific information on balances or individual lender usage contact Cheryl Olson at 651.297.3132 or via email at cheryl.a.olson@state.mn.us.
